

**GENERAL OPERATIONAL GUIDELINES FOR REGISTRATION OF UNITS UNDER
UTTAR POORVA TRANSFORMATIVE INDUSTRIALIZATION SCHEME (UNNATI),
2024**

These guidelines are issued and should be read with the notification issued vide 09-03-2024 for the UTTAR POORVA TRANSFORMATIVE INDUSTRIALIZATION SCHEME, 2024 for the North East.

1. Duration of the Scheme: **10 years** along with 8 years of committed liabilities.
2. Registration under the Scheme shall commence on **09-03-2024** and will continue until **31.03.2026**.
3. All registered applications shall be disposed of by **30-09-2026** unless otherwise extended.
4. The applicant unit willing to avail the incentive(s) under the scheme has to apply for registration through the online portal www.unnati.dpiit.gov.in in the forms enclosed in **Annexure 1** along with the following documents:
 - a) Detailed Project Report as per **Annexure 2**
 - b) Land documents (Revenue paper regarding ownership/rent deed duly registered by the registering authority/lease deed in case of Govt. land).
 - c) An Appraisal Report from the bank/financial institution showing the appraised cost of building, plant, and machinery and miscellaneous fixed assets. In the case of self-financed units, the Appraisal Report from NEDFi is required.
 - d) Copy of Incorporation Certificate in respect of firm and unit
 - e) Certificate from CA stating details of all the owner(s)/director(s)/partner(s)
 - f) Copy of PAN
 - g) Copy of GSTIN certificate
 - h) Udyam Registration/Entrepreneurs Memorandum I
 - i) Any other information / documents required by the competent authority.
5. Merely applying for registration will not entitle any applicant to claim incentives under the scheme.
6. No unit will have the right to register under this scheme or claim the benefits unless the competent authority approves it. The following committees are designated for approval of the grant of registration of the unit under the scheme:

A. DPIIT LEVEL COMMITTEE

S. No.	Designation	Role
1	Joint Secretary, NERS	Chairman

2	Director, NERS	Member
3	Member Nominated by AS&FA, IFW, DPIIT	Member
4	Undersecretary/Section Officer, NERS	Member
5	Special invitees from concerned Ministries on a case-to-case basis	Member

B. SECRETARY LEVEL COMMITTEE AT RESPECTIVE STATE

S. No.	Designation	Role
1.	Senior Most Secretary to the Government (I&C Department) of the concerned State Government	Chairman
2.	Director I&C, concerned state government	Member Secretary
4.	Managing Director, NEDFI	Member
5.	Representative from Development authority/Municipality/ Rural Development	Member
6.	Representative from Finance Department	Member
7.	Representative from the concerned Administrative Department not below the rank of Secretary (in case of Service Sector Units)	Member

7. (i) If any unit is availing or has availed any incentive envisaged in this scheme, from other scheme(s) of the Government of India, it will not be eligible for those incentives in this scheme. However, it will be considered eligible for other eligible incentive(s) under this scheme. For calculation of eligible value of Plant and Machinery (Manufacturing sector) or construction of building and durable physical assets (Service sector) for claiming other incentives, it will be calculated by Department of Industries of concerned state.
(ii) If any unit applies for same incentive from another scheme(s) of Government of India, it must opt to receive such incentive only from one of the schemes.
8. Details of core and non-core segments in Plant & Machinery for manufacturing and constructing buildings and other durable physical assets in the service sector are enclosed in **Annexure 3**.
9. Eligible activities of the service sector under the scheme shall be as per **Annexure 4**.

10. The application details and documents uploaded for registration shall be verified after the site visit of the unit (Premises) and examination of the documents by the concerned DIC. The concerned officer shall Geotag at least 3 pictures of the unit on the portal with his/her name and designation. After checking the eligibility of the applicant unit as per the scheme notification dated 09-03-2024, General Manager, DIC (concerned) shall recommend the application for registration to the Directorate of Industries & Commerce (concerned) along with the online certificate given in **Annexure 5**. The concerned Directorate Level shall recommend the cases to the Secretary Level Committee at the State Level which shall further recommend it to the DPIIT Level Committee for final approval of grant of registration.
11. The states will have a 3-months timeline to process the registration application and recommend it to DPIIT for decision. In case of pendency beyond 3 months, the application shall be considered “deemed recommended” by the state and eligible for consideration at the DPIIT level. For all such applications, the committee at the DPIIT shall do its due diligence through PMU/PIU. At DPIIT, the maximum time to grant registration is 30 days, hence, a monthly meeting of the DPIIT level committee and State level committee is mandatory.
12. The Standard Operating Procedure (SoP) for the process of registration applications is given in **Annexure 6**.
13. Minutes of each meeting and a list of cases for registration approved/rejected / under objection shall be uploaded on the portal, along with the reasons for each. The same shall be communicated to the applicant through the UNNATI 2024 portal.
14. DPIIT will issue registration certificates to the approved industrial units through online portal as given in **Annexure 7**.
15. The beneficiary of this scheme must furnish an undertaking to abide by the scheme’s terms and conditions, as given in **Annexure 8**.

Welcome to the Uttar Poorva Transformative Industrialization Scheme (UNNATI, 2024) for Industrial Development in Northeast Region

The UNNATI scheme has been notified on xx.xx.2024 by the Department of Promotion of Industry and Internal Trade (DPIIT) to accelerate the progress of the Northeast Region with a budget of more than Rs. 10,000 crores. The Scheme welcomes industrial units to submit applications for the proposed scheme.

Incentives Offered:

1. Capital Investment Incentive
2. Capital Interest Subvention Incentive
3. Manufacturing & Services linked incentive (MSLI)

Application Acknowledgement Letter

Application for registration under the UNNATI, 2024 has been submitted with the following details:

Date of Application	08/03/2024 13:27 PM
Application Reference Number	NER/2024/00003
Name of Organization	Organization A
Name of Unit	Unit A
State of Establishment	Sikkim
District of Establishment	Gangtok
Type of Establishment (New/Existing Unit for Substantial Expansion)	New
Sector of Establishment	Manufacturing

You will be further notified once the application is processed by Authorities

Note: Mere submission of application for registration, does not entitle any applicant to claim benefits under Uttar Poorva Transformative Industrialization Scheme (UNNATI, 2024) for Industrial Development in Northeastern Region, unless the application is specifically approved by the Competent Authority and granted registration.

Detailed Project Report:

The Applicant must submit a Detailed Project Report (DPR) online along with the application. The detailed project report must consist of the following points:

- a) Investor's background
- b) Details of product to be manufactured/ services rendered and its marketing potential
- c) Land Document as mentioned in the guidelines
- d) Layout plan
- e) Implementation schedule
- f) Product process flowchart
- g) Requirement of Working Capital
- h) Detail of plant & machinery /construction of building and durable assets required by the unit.
- i) Sources of Finance for the Project
- j) Projected Cash flow statements
- k) Total investment detail including investment in Plant & Machinery (in case of Manufacturing Sector), Building & Other Physical Durable Assets (in case of service sector),
- l) Projected Employment Detail
- m) Projected requirement of Power
- n) Projected requirement of Water
- o) Requirement of all statutory clearances, to be mentioned, such as environmental clearance, etc., at the registration stage.

A. ELIGIBLE CORE AND NON-CORE COMPONENTS UNDER THE PLANT & MACHINERY OF THE MANUFACTURING SECTOR

- i. The core components of Plant and machinery for the manufacturing industry will include the cost of mother production equipment essential for manufacturing activities and will be eligible for incentives.
- ii. Non-Core Components will not be eligible for incentives under this scheme. The following items are covered under the non-core category:
 - a) Loading and unloading charges.
 - b) Sheds/ buildings for Plant & Machinery.
 - c) Miscellaneous fixed assets such as DG sets, Excavation/ Mining equipment, handling equipment excluding EOT cranes, electrical components
 - d) Working Capital including Raw Materials and other consumable stores.
 - e) Commissioning cost.
 - f) Captive Power Plants except solar power plants for captive use.
 - g) Storage equipment.
 - h) Weigh bridge, Laboratory testing equipment.
 - i) DG Set

B. ELIGIBLE CORE AND NON-CORE COMPONENTS OF BUILDING AND EQUIPMENT FOR SERVICE INDUSTRY

- i. The core components of Building & Other Durable Physical Assets for the service industry will include the construction cost of building and other durable physical assets essential for service activities. They will be eligible to avail of incentives under this scheme.
